Get the dream wedding you've always wanted.

Dear Bride-to-be,

Welcome to BIBI London - we're thrilled you have chosen us to be part of your wedding journey and can't wait to welcome you in store!

We've been helping brides choose their dream bridal outfits for over a decade now, and during this time we've been an integral part of many brides' highs and lows of wedding planning. We've heard a myriad of stories, and seen tears, laughter, and every emotion in between, offering reassurance and advice during the most stressful times.

This is why we're pleased to invite you to let us assist your wedding planning journey with our sister company Inside BIBI and its Wedding Concierge service.

Our first-hand experience means we know what matters most to our brides, especially now more than ever as the Asian wedding industry changes and adapts to modern life. In addition, we have an extensive roster of the industry's most trusted and well-known suppliers, who we call our BIBI Friends.

As part of your consultation here at BIBI London, you'll have the opportunity to meet with our in-house Luxury Wedding Director, Anisha Vasani. Anisha has over 15 years' experience in the luxury wedding industry, with an exclusive Black Book of industry experts on hand, for our BIBI couples only. With our bespoke Concierge appointment, we'd be thrilled to guide you on every step of your wedding journey- turning your dreams and vision into reality, without having to navigate the stresses that come with it!

Just like you, we dream of stress-free weddings. Introducing The Wedding Concierge.

FAQ

1/3

QUESTION

Do I really need someone to organise a wedding for me?

ANSWER

While it is possible for couples to plan their wedding without a planner, even a small wedding can become a huge task, so a planner is highly recommended. We have over 10 years experience in the Asian wedding industry and have become masters of problem-solving, foreseeing issues to prevent them, organising detailed timelines and schedules, and have the unrivalled relationships with suppliers to ensure a stress-free planning experience for our couples and their families.

QUESTION

With uncertainty around the pandemic, are your suppliers Covid-19 safe? What are their cancellation policies if there is another wave?

ANSWER

In line with the current government guidelines (August 2021), we currently do not anticipate any changes with our suppliers due to Covid-19. Most of our suppliers have extra hygiene measures in place for your safety and accommodate Covid clauses in their contracts. Each supplier has a different cancellation/ refund policy in place, please speak to our Concierge for more details. Please note this is subject to change at any time dependent on any changes advised by the government, and we will communicate any changes with you promptly.

FAQ

2/3

QUESTION

I already have suppliers in mind, but they aren't a BIBI Friend, can I still book them through you?

ANSWER

We are more than happy to liaise with suppliers who are not our BIBI Friends on your behalf but there may be some additional protocols in place. As we tend to vet our preferred suppliers through our rigorous process to deliver and execute your wedding through our trusting relationships. We're always open to extend our relationships with new suppliers to invite as part of our BIBI Friends roster. Please speak to our Concierge for more information.

QUESTION

There are new suppliers popping up all the time, how do I know they are trustworthy?

ANSWER

BIBI London's Wedding Concierge service has established relationships with only the industry's best and well-respected suppliers. Before they are recommended to our couples, all suppliers go through a rigorous vetting process to become a BIBI Friend (i.e: a trusted supplier). We are always on the lookout for new, upcoming talent that can meet the demands of what our modern couples need, but we will never recommend them to our couples until we are completely confident of their ability to deliver to BIBI London's strict and high standards.
